Brand New Book ***** Print on Demand *****.Stretch Catch Words is an easy method developed by Amanda McNamara Lowe, M.Ed to help all children learn to read in just 10 minutes a day. Whether your child excels in school or needs additional help, the Stretch Catch Method will teach your child to read. Stretch Catch Words is an innovative, developmentally appropriate method designed to enable everyone from the concerned parent/caregiver to the professional educator, help teach a child how to read using this easy guide. This book is meant for children of all levels. All children, including children with learning difficulties or disabilities can benefit from this 10 minute a day approach. In order to teach a child to read, the child must understand how words work. By teaching your child Stretch Catch Words, they will use many of their senses to see how words are formed. That combined with The Word List Words (high frequency words) can create a reader in any child. Stretch Catch has helped my 5 year old learn to read. In only 10 minutes a day, I was able to teach my daughter, using a tactile approach, how to see patterns within words. This technique helps her decode words while reading. What I love about this program is that we could do it on the go. There are many days that we Stretch Catch words on our way to and from preschool. I found this program to be very flexible and easy to follow. The TWL words that go along with this program, have also improved her fluency. I recommend all parents help their child learn to read by using this easy to follow program. Kathryn Fracci...
