A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Welcome to the House of Red and Black, a mansion nestled amidst several hundred acres of rolling hills and quiet forests in upstate New York, a temple to power and pleasure. Anyone can be the abused or the abuser, but only those who find the perfect blend of sensual passion and enlightenment amidst the pain and humiliation are worthy of ascension in its hallowed halls. VERSUS (Episode 1) Sarah Duncan, a bold and curvy fashion model, has been invited to the mansion, and has consented to undertake a journey of sexual hardship and spiritual awakening. DOGFIGHT (Episode 2) Aura Sinclair, a hard-bodied exotic dancer from the Las Vegas strip, has been invited to the mansion as a pit fighter, and has consented to undertake a journey of violent conflict and sexual punishment. MARTYRS (Episode 3) Tae Ware, a former MMA fighter from the streets of New Orleans, has been invited to the mansion to join the ranks of the alpha males who sexually dominate the women within, and has consented to undertake a journey of power and dark sensuality. ALPHA BLACK (Episode 4) Two secret societies wage an erotic war of flesh. This is the naked endgame, beyond the illusion of civilized society, where Sex and Death walk hand in hand. Caution: This is the omnibus edition a thrilling serial story of explicit sexuality in which fierce alpha males engage in extreme bdsm with beautiful and willing young women. This title is not recommended for anyone who is offended by artistic literature of the sensual macabre, and is not suitable for someone under 18 years of age.
