Igt Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book has been written specifically for the older reader who may struggle to get to grips with Windows 10. Jargon and computer-speak are kept to the minimum, and explanations and descriptions are as straightforward as possible. You will learn the basics of the Windows operating system - how it works and how to customize it to suit your requirements personality. We explain all the various parts of Windows, such as the Desktop, Taskbar, and Start menu, in full detail. You will also learn what can be achieved with Windows 10. This includes browsing the Internet, using hardware devices such as printers, staying in touch with friends and family via email, working with pictures, and entertaining yourself with video and music. The security of your computer is an important issue and we show not just how to keep it safe, but also how to ensure it runs smoothly.
