Sugar Maple Press, United States, 2012. Paperback. Book Condition: New. 278 x 214 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Finally, the first volume of Kyle s Bed Breakfast is available in print again, thanks to Sugar Maple Press. For those unfamiliar with the addictively fun-filled series, Kyle s BB is a syndicated comic strip focused on the lives of a group of quirky, (and often hunky!), gay men living in a harbor town BB in the northeastern USA. Closeted minor-league baseball player Brad, corporate shark Lance, gossip-loving fashionista Richard, troubled high-school senior Eduardo, and Kyle, the 30-something inn-keeper with a heart of gold who keeps all of these hot-shots in line. Romance. drama. topical issues. laugh-out-loud humor. sexiness.hot apple pie and some hot guys raiding the fridge in their briefs. this comic strip covers all the bases! And underlying it all is a warm message of hope. Included in this volume are the first 5 years of the comic strip, along with a previously-unpublished 2 episode story, and a detailed floor-by-floor blueprint layout of the BB. When this book was originally published in 2004, it went on to become a Lambda Literary Award Finalist for Best Humor Book of the year. This new Sugar Maple Press edition features sharply improved graphics; the comic strip images are larger, with crisper clearer delineation. Also restored are the individual episode numbers, something curiously lacking in the original edition. These days, Kyle s Bed Breakfast has a vastly larger, worldwide readership, with an enormous online presence. The strip also went full-color a few years ago, unlike the early black white episodes featured in this volume, (and those in the follow-up volume, Kyle s Bed Breakfast: A Second Bowl of Serial, also available from Sugar Maple Press). What fun it...
