Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Taxation: A Problem Questions of state and local taxation; questions of how revenue shall be raised to pay state and municipal expenses, are of great importance. There is a country-wide cry for tax reform but no two persons agree upon what the reforms shall be. If I were to undertake to review the different forms of taxation now in force in the United States I should perforce go far beyond the limits of this paper and the same would be true of an attempt to state at length a system of state and local taxation. If within the limits of this paper I succeed in setting forth a few of the glaring faults of some of the present systems and in stating some remedies that may appeal to the business world I shall be satisfied. Parties in taxation. We have first the economists and in this class are the college professors who regard taxation as a science to be governed by fixed rules and if a working system permits any inequality they condemn it as...
