KEYS TO TEACHING GRAMMAR TO ENGLISH LANGUAGE LEARNERS: WORKBOOK: A PRACTICAL HANDBOOK (PAPERBACK)

[DOWNLOAD](#)

The University of Michigan Press, United States, 2009. Paperback. Book Condition: New. Workbook. 277 x 216 mm. Language: English . Brand New Book. This is the resource for teaching grammar to English language learners. Today s classrooms - regardless of setting - include students for whom English is not their first language. This book was written for teachers in K-12 settings and higher education settings who have English language learners in their classrooms or who teach ESL courses. This practical guidebook is not intended to be an exhaustive reference book about ELL grammar. This book teaches the most common ELL grammar points in an accessible way; grammar terminology is limited. The presentation of each of the 15 keys (grammar points) features information on typical ELL errors, an accessible grammar explanation including examples of common ELL mistakes, a native language interference chart, and ideas for teaching the grammar point. An accompanying workbook (written with Ekaterina V. Goussakova) provides opportunities to practice the grammar taught in the handbook.
