Brand New Book ***** Print on Demand *****.Excerpt from The Commercial Minerals of California: With Notes on Their Uses, Distribution, Properties, Ores, Field Tests, and Preparation for Market The headquarters of the California State Mining Bureau are located on the third floor of the Ferry Building, San Francisco, and consist of the administrative offices of the State Mineralogist. State Supervisor of Petroleum and Gas, Library, Mineral Museum, and other offices necessary for carrying on the work of the bureau. Field branches have been established at the following points: Los Angeles (512 Union League Building), Santa Paula, Santa Maria, Bakersfield, Taft, Coalinga, East Auburn, and Redding. The institution is supported by legislative appropriation, and is under the direction of Fletcher Hamilton, State Mineralogist. Its purpose is to promote the interests of the mineral industry in California in every possible way. This object is accomplished by various means, briefly outlined as follows: Publications. Bulletins, reports, and maps, covering all phases of the mining industry of the state, compiled as a result of the work of mining engineers and geologists in the field, are available for reference and distribution upon application at this office. It is possible to distribute some of these publications free of charge, but for those more elaborate and detailed a nominal price is asked. (See list of publications, page 117.) General Information Bureau. An information desk is maintained at the main office of the Bureau in the Ferry Building, and the entire staff of assistants is at the service of the public at all times in this regard. All personal and written inquiries relative to any phase of mining or the occurrence of mineral substances in California, are given careful and immediate attention....
