Whether you are a follower of Christ, a curious observer, or a free spirit of some sort, you no doubt have wondered at least once if God is trying to communicate with you. This book was birthed from a lifelong pursuit of homing in on God s voice. Could it be that God has a voiceprint that we can study to better recognize Him when He speaks to us? Can we identify key features of His voice from the way He has spoken in the past? The answer is an emphatic, yes! The Voiceprint of God takes a fresh look from a layperson s perspective, using relatable personal stories packaged into short chapters with creative titles. Learn how to recognize His voice through the experiences of others in the Old and New Testaments. Explore the many ways He speaks to people today.
