

Proceedings of the Large Jail Network Meeting, July 1997 (Paperback)

By National Institute of Corrections: U. S. Department of Justice

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Attended by about 70 administrators of the largest jail systems in the country, this meeting focused on two topics: 1) the use of technology in the jail setting; and 2) sexual misconduct of staff. The highlights addressed the following issues: 21st century technology and its application to local jail information and operational needs; innovative technology applications for internal problems; benefits of technology for inter-government decision-making; identifying and dealing with staff sexual misconduct; and training staff on the issue of sexual misconduct.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
