Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

LISTEN TO THIS (HARDBACK)

Farrar Straus Giroux, United States, 2010. Hardback. Book Condition: New. 231 x 150 mm. Language: English . Brand New Book. One of The Telegraph s Best Music Books 2011 Alex Ross s award-winning international bestseller, *The Rest Is Noise: Listening to the Twentieth Century*, has become a contemporary classic, establishing Ross as one of our most popular and acclaimed cultural historians. *Listen to This*, which takes its title from a beloved 2004 essay in which Ross describes his late-blooming discovery of pop music, showcases the best of his writing from more than a decade at The New Yorker. These pieces, dedicated to classical and popular artists alike, are at once erudite and lively. In a previously unpublished essay, Ross brilliantly retells hundreds of years of music history from Renaissance dances to Led Zeppelin through a few iconic bass lines of celebration and lament. He vibrantly sketches canonical composers such as Schubert, Verdi, and Brahms; gives us in-depth interviews with modern pop masters such as Bjork and Radiohead; and introduces us to music students at a Newark high school and indie-rock hipsters in Beijing. Whether his subject is Mozart or Bob Dylan, Ross shows how music expresses the full complexity of the human condition. Witty, passionate, and brimming with insight, *Listen to This* teaches us how to listen more closely.
