

Modern Moral Problems: Trustworthy Answers to Your Tough Questions (Paperback)

By William B. Smith

Ignatius Press, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Modern Moral Problems addresses moral quandaries that can beguile and confuse faithful Catholics. Written in a question-and-answer format, the book covers questions regarding sexuality, medical ethics, business practices, civic responsibilities, and the sacramental life of the Church. The extraordinary assortment of issues forming a single, organized collection is a valuable reference for anyone seeking clear and concise answers to tough moral questions. Written in a conversational tone often spliced with humor, this work by a highly respected moral theologian will be read with fascination for its clarity of argument and fundamental good sense. Originally published as a monthly question-and-answer column in a magazine for priests, these selections by Msgr. William B. Smith retain a striking current topicality. Msgr. Smith often tackled matters of controversy in the Catholic Church, ones which continue to draw conflicting opinions. Interesting, informative, and eminently practical, this book conveys an overall impression that sound thinking about morality is rooted in a tradition within the Catholic Church, even when the answers to particular moral questions cannot be found in catechisms or Vatican documents. Msgr. Smith offers a clear-headed approach to the quandaries...
