## CELESTIAL PSYCHOLOGY: A GUIDEBOOK FOR CO-CREATING MIRACLES, LUMINOSITY CONSCIOUS EVOLUTION (PAPERBACK)

Celeste E Mattingly, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Who am I, where am I going, and how can I possibly make a difference in this crazy world of ours? Who are we, where are we going, and do we need a miracle to survive? Celestial Psychology(r) (CP) has transformational treasures for you whether you are a layperson looking for answers to questions like these, or a helping professional looking for an integrative methodology to promote wellness. The Twelve Principles of CP, premiered in this enriching and illustrative guidebook, provide spiritual empowerment for the novice and the most adept. They take us on a journey beyond actualization, into the uncharted territories of transcendence found at the apex of Maslow s hierarchy of needs. The Twelve Principles of CP support a structure that reaches far into cosmic consciousness and serves the dual role of receiving and disseminating the energy, light and information needed to help you elevate your consciousness. In so doing, you kindle an awakening among family, friends, colleagues and associates to new dimensions of Self and the New Enlightenment. CP teaches us how to take full responsibility for ourselves and the collective, increasing cooperation, compassion, and empathy. Willing to live and serve from essence, rather than from ego, we stop asking, What s in it for me? and start asking, How can I serve? Celestial Psychology(r) closes the schisms between psychology, spirituality, and science, opening the mind of Western man to the study of the soul. It is the first theoretical framework of its kind to blend ancient and contemporary spiritual teachings with standard psychotherapeutic modalities, and incorporate energy medicine modalities, the egoic-mind paradigm and the evolutionary kaleidoscope in a coherent and practical...
