Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.While staying with his father in Rome for the summer, twelve-year old Andy travels back in time and finds himself in the middle of a horrifying event at the Roman Colosseum almost two thousand years ago - during the time of the gladiators. As he journeys through centuries, he meets Leonardo DaVinci, Queen Elizabeth, and a girl that he wishes lived in his time. Superstitions and paranoia abound in the Middle Ages, and after Andy becomes a prisoner in the Tower of London and the subject of a witch hunt, he will need more than courage to keep himself and his friends alive. Jennifer Soboleski lives in Indiana with her husband and two young sons. She earned her Masters of Education degree from Indiana Wesleyan University and has been a teacher of English at the intermediate and middle school levels for the last 16 years. As a Fulbright Memorial Fund Scholar, she traveled to Japan and studied their culture and educational system. She is a volunteer for CASA (Court-Appointed Special Advocate), a child advocacy program and one of the largest volunteer organizations in the country that help to safeguard the best interests of children who have been abused or neglected. Mrs. Soboleski is also a 2012 fellowship recipient of the Teacher Creativity Grant offered through the Lilly Endowment. Her project allowed her to travel to England, France, and Italy to research and gather material for writing this book, a sequel to her first book, *Midwest Mischief: An Historical Indiana Adventure*, published in 2009.
