I was alone, unhappy and struggling with just staying alive when I was just in my early teens, but I discovered that regardless of how I started out in life my start had nothing to do with how I would end up and I would like to share my journey with you. I wrote this book to make a difference in the lives of those who think their life sucks. I believe my book has a universal message that can provide the answers to living a life filled with joy, peace, love and happiness. What s the mystery to happiness? There s no magic or secret formula! For many people their life doesn t suck. They are happy at peace with themselves and enjoying their life to the fullest. So what special gift did they get that many other people have not. .maybe including you? My message is personal and universal and can provide proven strategies on obtaining happiness including: Making Decisions Conquering the fear of failure How negative thinking fuels unhappiness The Power of subconscious programming Blame and entitlement afflictions Creating positive relationships Improving communication...
