A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Potomac Books Inc. Hardback. Book Condition: new. BRAND NEW, The Cure for Our Broken Political Process: How We Can Get Our Politicians to Resolve the Issues Tearing Our Country Apart, Sol Erdman, Lawrence Susskind, This book proves that our lawmakers battle endlessly because that's their most reliable way to win reelection. It demonstrates that, if the election process is not changed, our lawmakers will continue to bungle the major issues, and shows readers how average citizens can get our politicians to resolve our country's problems sensibly and fairly. Record numbers of Americans fear that our political process is broken, and for good reason. Our nation faces unprecedented challenges, yet our politicians waste their energy attacking one another. Sol Erdman and Lawrence Susskind base their case on their thirty years of experience in resolving political conflict. The book begins with hard evidence that for every major controversy now dividing us, we could work out practical solutions that all sides could support. Why, then, don't our politicians seek out those solutions? The authors debunk all the accepted explanations and then uncover the real reason. By telling the story of a citizen who runs for Congress determined with all his heart to do the job well, the book shows that two basic features of our elections virtually compel politicians to bicker endlessly over national problems. The authors then spell out how to reorganize our elections so that, to win, politicians would have to negotiate practical solutions to pressing problems. The book concludes with a...
