

A Poet's Choice

By Elizabeth Jennings

Carc Janet Press Ltd. Paperback. Book Condition: new. BRAND NEW, A Poet's Choice, Elizabeth Jennings, In this collection, Elizabeth Jennings includes the poems which helped shape her taste - poems she read at school, or discovered in book shops and the library, or pored over as an under-graduate work which first gave her a taste for the art of poetry and taught the formal and thematic skills she has practiced for fifty years. Many of the poems chosen will be familiar to poetry lovers: what is exciting is the way she brings them together in a kind of commonplace book, conveying to a new audience the magic that enchanted her. This anthology is a window on the personal culture of one of our best-loved writers. "She is one of the few living poets we could not do without," Peter Levi said.

Reviews

It is an awesome publication which I actually have ever read through. It had been written really properly and valuable. I found out this book from my mum and dad recommended this pdf to discover.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
